**WMC is a volunteer organization. Please see opportunities below. Can you help?**

## Wednesday Music Club Volunteer Opportunities for 2020-2021

There are many and varied opportunities for WMC members to become involved with our Club's activities and mission. Please see descriptions below. It's a great way to meet new people and participate in our dynamic group. If you see something that suits you, please check one or more boxes below. A WMC member will get in touch with you to answer any questions you may have. Thank you and welcome to our 98<sup>th</sup> season!

- Greeting:** Offer a welcoming smile and hello to our members and guests at our general meetings and events.
- Social:** Assist with refreshments and other arrangements for a variety of WMC activities including the Fall Luncheon, Competition, Winners' Recital, and special WMC events.
- MUSIC HERE!:** In partnership with the Boys & Girls Club and Walker Upper Elementary School, this program provides opportunities to help students in grades 2-6 for an hour a week. If you can read music, consider helping children learn basic musical concepts through a series of online computer games. If you have ever played any instrument (including piano), you might enjoy coaching beginning band and orchestra students, either one-on-one or in groups. Contact Michele Carragan or Nancy Bertram for details.
- Program Committee:** Are you interested in performing for one of the Club's monthly meetings?  
Whole program\_\_\_ Shared program\_\_\_ Selection on members' program\_\_\_  
If performing is not for you, there are other aspects of our Program Committee that might suit you such as coordinating with our venue (The Center at Belvedere), helping our performers on meeting day, and administrative duties.
- Fermata:** Meet informally at a member's home with others to enjoy playing music together.
- WMC Competition:** The Competition (Jan. or Feb.) and Winners Recital (March) are highlights of the club year requiring many hands to achieve the best possible results. Several sub-committees work together to assist with reviewing the previous year's efforts and procedures, scheduling judges and volunteers, making area teachers aware of the competition and the community aware of the Recital as well as sending notes of appreciation.
- Financial:** WMC employs a professional financial advisor as Treasurer. Our Financial Committee provides oversight and assistance with budgeting and longer-range planning.
- Computer Assistance:** Are you familiar with Word, Excel, or Pages? We value advice and occasional technical help as we work through our administrative duties each year.
- Mailings:** Help stuff and stamp envelopes twice a year to distribute our Fall and Spring letters.
- Website and Social Media:** Help our Webmaster maintain and update our WMC website, an important communication tool for us. Keep our Facebook page up to date.
- Publicity:** WMC has an amazing story to tell! Be a part of helping us get the good word out to our community.
- Support Funds Committee:** Assist with our University Music Major Scholarships, Symphony Student Player Music Lessons Scholarships, and Educational Outreach evaluations.
- Young Musicians Recitals:** Help organize recitals for young students four times a year. Assist with annual Adult recital in May.
- Tuition Scholarships:** Assist with determining financial help to families who need support in providing private music lessons for their children.
- Development Committee:** Help the Committee identify prospective donors and direct the fund-raising efforts of WMC.
